## GUIDELINES FOR POSTER TOUR MODERATORS

### INSTRUCTIONS FOR POSTER TOUR MODERATORS

- You will lead groups of up to 20 attendees around speaker-attended posters for a presentation followed by an interactive discussion with the poster presenters.
- Please be present at the allocated Poster tour station 5 minutes before the start of the tour and wait for the chair/co-chair and other participants to join.
- A hostess will be waiting there for you. The hostess will provide you with a microphone (for you and the presenters) as well as a headset, to better understand the questions.
- Participants will be equipped with wireless headsets.
- The full abstract texts of the posters presented during the poster tour, are available on the ESPEN Congress Website or more conveniently in the ESPEN Congress App. You may [click here](#) to view the online programme and consult all poster tours.
- Please ask the poster presenters to give a short presentation of approximately 4 minutes to present the highlights of their work.
- After the short presentation, you will moderate an interactive discussion with the presenter and participants attending the tour to further discuss the work.
- Please try and ensure the session begins on time and keep all presenters to their allocated time.
- Each tour has 2 allocated moderators - if one of the two moderators is not there for start, please begin anyway.
- Should a presenter not arrive for his/her presentation, please skip their poster, and continue with the next one scheduled.
- Failure to present deprives the audience and leaves a space in the programme that might have been filled by another presenter. Please inform Candice Gabay at [espen.scienti@mci-group.com](mailto:espen.scienti@mci-group.com) should any presentation failures happen during your tour.
